Information sheet according to article 33 of the REACH regulation (EG 1907-2006)

(As of July 1st, 2023)

On June 14th, 2023, the European Chemicals Agency (ECHA) published the updated official candidate list for Annex XIV of the REACH regulation (EG 1907/2006). This can be viewed on the ECHA website (<http://echa.europa.eu>).

According to Article 33 of the REACH regulation, every supplier of an article must notify his customers of the presence of a candidate substance in a concentration of more than 0.1% by mass (w / w) and, if necessary, provide information on the safe use of the article.

Therefore, EICHNER Organization GmbH & Co.KG informs that none of our products contains substances from the REACH candidate list (as of July 1st, 2023).

According to information available to us, the packaging of our products does not contain any substance from the candidate list (as of July 1st, 2023).

This product information is based on the current state of our knowledge and experience. No guarantee or liability can be assumed for factors that are beyond our knowledge and control.
